Are you giving a letter to the Navy? I am. We sing Christmas songs, we celebrate Christmas, and we open presents and act surprised. On Christmas my family and I like to sing Christmas songs. We sing jingle bells, Rudolph the red nose reindeer and frosty the snowman. We love to celebrate Christmas. We celebrate Christmas bells, food, presents, being happy, loving each other like family does, and friends. Merry Christmas!

Dear Jessica,

I know you're in the Air Force, but I just wanted to say "MERRY CHRISTMAS!" My favorite sport is soccer. I had to change because cheerleading is getting old. I decided to go into soccer because we played it in the P.E. room. I thought it was fun and I wanted to know are you coming home on Christmas? I really miss you and I really love you too. MERRY CHRISTMAS and I hope you do come home.

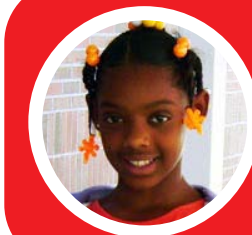

Love,  
Nylah Freeman

Ohh! "That's a smart kid," the troops said, read another one. Ok. Hello, I am seven years old and I am in the first grade. I would like you to ask Santa to bring me a Christmas present this year. I want a bike, baby alive doll, an mp3 player, and a hot chair for my dolls. I love what you are doing for our country. We have time for one more before we have to get back to work. Hello, I am nine years old and I am in the fourth grade. I want you to ask Santa to bring me a bike, an mp3 player, a doll house, some make up, and a happy Christmas. Thank you. I'll be the first to admit sending Christmas letters can be really amazing.

Dear Brat,

I know you are in the Navy and busy helping people, but I just wanted to say "MERRY CHRISTMAS!" Thank you for helping me in P.E. You helped me do push-ups. I thank you for helping me do well when I'm doing badly. So this letter is a thank you letter for all you have done for me.

Wow! There are so many things we can do after school. My favorite thing to do after school is to go to a Linking Arms program for students after school. You've probably never heard of it, but it's for students who would love to learn and have fun at the same time. First reason, why I am going to a Linking Arms program after school is my favorite because they give us lots of nutritious foods to eat there. Like carrots, broccoli, and they also give us lots of oranges and bananas for our snacks. The nutritious foods they give are very healthy and delicious. Second reason, why going to a Linking Arms program after school is my favorite thing to do is because we get to play outside there. When going outside there we always have to follow the rules, there we always play with equipment correctly. When we go outside we get to play on swings, monkey bars, the slide, and on the basketball

Dear Troops,

I would like to wish you all a "MERRY CHRISTMAS!" My name is Jose Robles. First, I'm going to ask you what you would like for Christmas? I would like a new skate board, Wii, flat screen T.V., and the movie Batman the Dark Knight. Second, will you have a Christmas tree? I am going to put lights on my tree in a pattern like blue, red, yellow, and green. Which do you think is the coolest color? The next thing I am going to put on the Christmas tree is a string of pine cones. Last, I am going to chose between X man wolverine, or men in black 2. I am going to choose x-man origins of wolverine. Now you know how I am going to spend my Christmas.
