

have anybody to play with. So I went to get my friends. On my way to getting them I went to the store. Then we all started walking back to my house. So on my way back to my house we stopped by the store to get the jump rope. My dad gave me the money to go and get it. When we got to the store to get the rope, I saw a two foot long jump rope. So I got it. We started walking back home.

My favorite sport is football. I like the Pensacola tigers. Their colors are orange and green. I like them because I will play with them next year. They are the best team in the world. I am going to play with them because they are my favorite team. I'll have to go to practice every day so I can get better and better and to get faster and stronger. I hope I get along with every one on the team. I am going to

see my cousin Trevion on the team. I think it will be a success for me to play for the Pensacola tigers. I want them to go to the championship and win the trophy back from the baby rattlers.

I like to play kick ball because you can run to the base. We get a point if you kick the ball and run home safely. If you get tagged, then you are out.

Dear Kobe Bryant,  
I wanted to wish you a merry Christmas. I saw you in the championship last year and you were awesome. But, I'm still shocked about the Celtics beating you in 2007. I hope that you know that you're the best player in the NBA. Next year I hope the Lakers win the championship again. This year I hope the team will beat any team that gets in their way. Merry Christmas Kobe Bryant I'll be watching the championship. "Oh yea" I hope you and the Lakers win the best team award.

Your friend,  
Julius (Merry Christmas)
