"Reaching the world through Small Voices"

Flora Myles 5th grade Spencer Bibbs Elementary

Dear Troops,

I am thankful to have you in our country. You saved my life when you guys were doing the war. I wish you good luck with your family and happy New Year. Thank you for saving our country because a lot of people could have died without you. You are an important person that I can look up to some day. I appreciate you risking your life just for me and all of us.

Roberto Martinez 3rd grade O.J. Semmes Elementary

T -rex lived during the late cretaceous about 65 ago. Triceratops was a attack t-rex.

rhinoceros like dinosaur. Triceratops was hunted and eaten by t-rex. Triceratops was herbivore, a plant eater, and primary consumer. Torvosaurus was powerful predator that walked on two powerful legs. Styrawas walked on four short legs. Thescelosaurusouars was an herbivore and they ate leafs. Brachiosaurus are million to 85 million years the giant dinosaurs that

Neil Armstrong was the first person to land on the moon. The astronaut

stepped onto the moon surface, in the sea of tranquility, at 0256 GMT, nearly 20 minutes after the hatch on the eagle landing craft. Armstrong had earlier reported the lunar modules safe landing GMT with words "Houston tranquility base here." The eagle has landed. As he put his left foot down first Armstrong declared "that's one small step for man, one giant leap for man kind."
