Cristina Millin act's with a lot of energy that is why she is my favorite actress. She is a girl that has a lot of energy to act. Cristina Millin is a wonderful person I wish she could be my sister. Cristina act's great. The movie that she made was wonderful I liked it so much that I watch it all the time on my TV. She is just to good at acting.

My favorite actor is Steve Urkel. Because he is a nerd and his voice is weird, and he is funny. He is from the show family matters. Also he always makes mistakes. Such as breaking a roof with a jet pack crushing a sail boat and passing the number of year on a time watch. And one time he went to a swamp and fell off a sail boat. And that's why he is my favorite actor.

My favorite actor is Dr. Suess. Dr. Suess, he made cat in the hat and cat in the hat comes back and one fish two fish and red fish blue fish and horten hears an oaw. My favorite dancer is Chris Brown. He can do cool moves. He got skills. He makes good songs. My brother can do one of Chris Brown's moves. My favorite singer is T-Pain. He got good songs. It is one of his songs I like, that song makes me think about my family.

I love to dance. I love to sing. I love to play game. I love to go to the park. I love to go play with my friends. I love to go shopping. I love to play pranks on my brother when he's here. I love to play with my dogs at home and watch movies. I love walking to the store with my dad. I love plory my sister and my mom and dad and motorcycle. I love bubbles. I love to go visit my family. I love going to the beach and I love splashing water there and making castles there and letting my cousins cover me up with sand there and swimming. My favorite play that I watch every-day is blunder down under it was from Edgewater Elementary it was in 2nd grade and it was on 4-23-09 and Herbie and race to witch mountain and Barbie in the 12 dancing princesses and the marriage counselor and Alice in wonderland and Igor and 17 again the adventure of shark boy and lava girl and Scooby doo the movie and Hannah Montana the movie. I love to do anti-bodies with my teacher. I love decorating my room. I love playing my piano and my computer and my electric company book. I love running to school every morning. I love to get A's on my citizenship grade. I love to be in ballet and cheerleading.

I like squidward he doesn't like spongebob and Patrick. His house looks like him and he works at the krusty krab.

## RIDDLE

How could I place a bookbag on the floor where no one could jump over it?
