My favorite actress/singer is Selena Gomez. I like Selena Gomez because she is very interesting and she sings outstanding and same with acting, she really gets into her character, like on "Wizards of Waverly place." Selena Gomez plays as Alex on that show. Alex is a sixteen year old. But, she's really mean to her older brother Justin. Back to the point, enough with acting let me tell you about her singing. Selena Gomez has a new album and I listen to it all the time. I personally think Selena Gomez was born to sing and act. Now you know who my favorite entertainer is, and more about Selena Gomez. Thanks for reading my paper and enjoying it also your time to read it. Good Bye.

Eddie Murphy makes me laugh because he does funny things to entertain me. Eddie Murphy has a lot of funny jokes. He has a movie called "Doctor Do Little." The movie is funny because a lot of the animals talk to him. When he got to the woods the owl was talking to him and said, "Hi" and he said, "hi" back. You're going next time buddy. He has a lot of movies and TV shows. He makes good jokes. He make funny movies and TV shows and that was the end.

Let me begin to tell you my favorite entertainer. My favorite entertainer is Michael Jackson here's why. He is the greatest entertainer of all time! He makes people cry and faint and he has been singing all his life so I was able to hear his music. Most of all, I like his dancing and that's why Michael Jackson is my favorite entertainer.

My favorite sport is baseball. I like to play baseball because we get nice clothing and bats and gloves. We practice so we can win our big game. We have 22 people on our team and they are boys and girls. I like to play baseball because it gives strength and arm strength. I can throw better, and then I hit the ball. Now you know what my favorite sport is. Do you have a favorite sport?

My favorite sport is cheerleading. Let me tell you about cheering. Cheering is a hard job. You will have to show the coach some cheers and flips. It's hard to make the team. Cheering can help you get strength. You can make a pyramid. It is fun too! You can go to a championship. You have to show what you learn. You have to flow. Now you know my favorite sport.
